CONGRATULATIONS GRADS

Thank you, Kerry, for all the time and effort you devoted to this yearbook.

Mrs Ledoux

"How do I, say goodbye to what we had? The good times that made us laugh, I'll wave goodbye. I thought we gave to see forever, but forever's gone away. It's so hard to say goodbye to yesterday. I don't know where this road is going to lead. All I know is where we've been and what we've been through. If we gave to see tomorrow, I hope its worth all the wait. It's so hard to say goodbye to yesterday. And I'll take with me the memories to bring my sunshine after the rain."
